Our wedding day was absolutely AMAZING, due in large part to the beautiful venue and outstanding staff at Misselwood. Everything went PERFECTLY. The Misselwood team was so helpful in making my day great and stress-free. Having Vinwood as the exclusive caterer was just perfect, too, and we received so many compliments on the food. Everything was 10/10. *We're seriously in awe!*

Picturesque PROPERTY

Misselwood evokes the charm of an era of the past while offering the amenities of today. From the moment your guests step onto this charming estate, they will be captivated by the welcoming courtyard and the beautiful, natural landscape. They will then venture to an expansive front lawn area that stretches to the ocean's edge, providing an exquisite location for your wedding ceremony.

Misselwood has been my DREAM wedding venue since I was a little girl growing up in Beverly. Yes - I got married down the street from my childhood home. From the moment I stepped onto the property, I knew this was where I was meant to say "I do." The venue is truly magical - not just in how stunning it is but how it makes you feel. Every picture is filled with beauty, care, and intention, and it sets the perfect backdrop for one of the most important days of our lives. What truly sets this venue apart from others is the team. Their professionalism, kindness, and attention to every detail gave us confidence and a peace of mind throughout the entire planning process. On the day itself, they made everything seamless, allowing us to be fully present and soak in every moment. Their event staff, bartenders, and partnership with Vinwood is truly unmatched - your guests will go home with a full belly and heart. If you're looking for a place that is not only breathtaking but full of heart, this is it."
