“The BEST venue in the area hands down! Absolutely gorgeous from start to finish. We were able to get ready in the hospitality suite in the house, which was very spacious and a great backdrop with the old manor house! You cannot beat the setting with the water in the background and the different locations for ceremony, cocktail hour and reception. Every single guest said it was the most beautiful wedding they had ever been to! Pictures were amazing! I could go on and on but we were *beyond happy* with our choice at Misselwood!

“It was an *absolute dream* having our reception at Misslewood. From the minute we pulled up to the venue, through the end of the night was truly astonishing. The Misslewood events team provided a top notch white glove service the entire night. Using the beautiful lawn/ patio with the properties insane ocean view for cocktail hour, truly brought out the spark that started what we feel was the best wedding ever! My wife and I wish we could relive our wedding day every day for the rest of our lives. There aren't enough words to describe how perfect everything was.”
