*"Misselwood"* was everything I could have dreamed up for my wedding. The old manor and gardens with the ocean backdrop were magical and wonderful. I felt like I was transported back to the Great Gatsby era of glitz, glamour, and sophistication. "I would get married at Misselwood 10 times over!"

“My husband and I, along with our families, could not have been more impressed with Misselwood. The *venue was breathtaking* (a number of our guests told us that it was the most beautiful/best wedding they had ever been to) and the staff was incredibly nice, accommodating, relaxed, and professional. I would recommend Misselwood to any couple!”
