Misselwood

AT ENDICOTT

Tucked behind a brick wall, the French châteaux-style Misselwood House is a four and a-half acre estate perfect for small receptions. Only a few steps away is the Misselwood tent, a chandeliered venue with a wall of windows to the ocean, ideal for your dream wedding. No matter your vision, Misselwood will exceed your expectations.

AN *affair* to REMEMBER

The seasonal tent is heated and air cooled for comfort and can seat up to 200 people with dinner and dancing. Special features include a poured floor embedded with sea glass, a parquet dance floor, and luminous chandeliers. French doors open out to a patio with stunning ocean views.

Our professional and caring staff will provide you with personal assistance to ensure the success of your event. Together with our preferred wedding specialists who are selected for their commitment to excellence and quality, we are confident that we will surpass your expectations in every respect. We invite you to contact us for a private showing so you can experience for yourself the beauty and splendor of Misselwood.

picturesque PROPERTY

With breathtaking views of the Atlantic Ocean, Misselwood evokes the charm of a bygone era, while offering the amenities of today. The expansive lawn, which stretches to a stone wall at the ocean's edge, provides an exquisite location for your wedding ceremony. During the summer months, numerous regattas and yachts create a unique and impressive backdrop for your wedding photos.

From the moment they step onto this charming estate, your guests will be captivated by the spectacular ocean vistas, the welcoming courtyard, and the beautiful natural landscaping.
